COMBINATION ART PANELS

What we are all about

The incontestable luxury, quality and creativity of the products designed by us, have made the name Decmore synonymous with excellence. Comprised of young and a dynamic team, our company wants to bring a new outlook and a better alternative to the existing products in the market. Our products are durable, strong and aesthetic. The panel are produced in various colours and designs to satisfy your amazing requirements when it comes to creativity & design.

Decmore is a designer and manufacturer of high-end decorative surface and components for wall paneling based in India and exports it to all the corners of the globe. Decmore panels are made using eco friendly materials.

We offer a variety of colours, textures, size and finished that allows you the total freedom of expression during the creative process. Decmore works closely with all users. Interior designers, consultants, architects, contractors and the community and offers a whole new experience to create a special place not only homes but also in your hearts!

Our mission

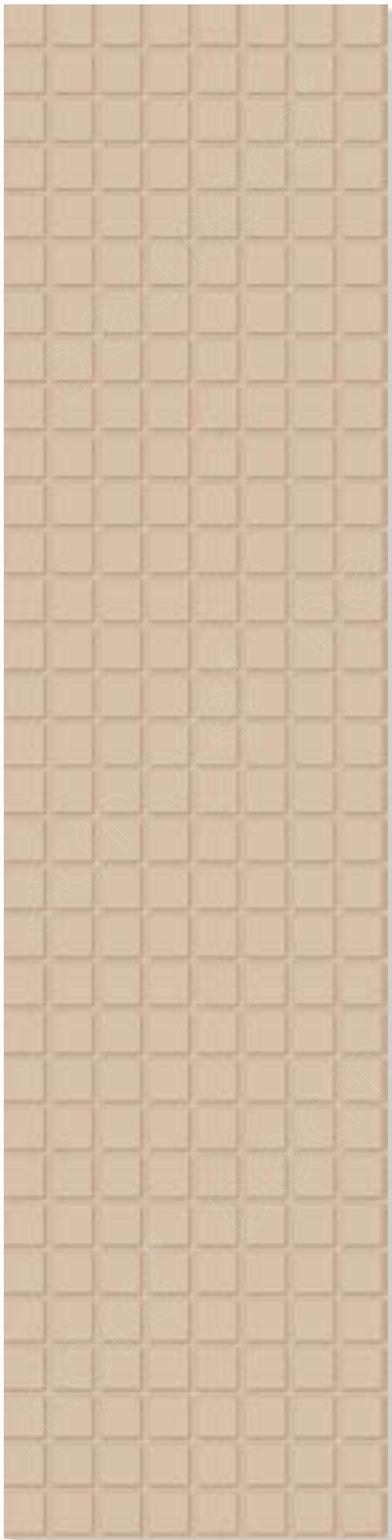

We endeavor to offer the most sophisticated design solution for commercial, high-end corporate, and residential complexes. We place immense value on our relationships with our clients, employees, and business vendors. Our customizable designs are environmentally friendly and sustainable. We offer the perfect paradigm of reliability, safety and integrity. We Exist to satisfy the needs of our clients and our main motive is for them to find the best decor solution for their personal space. Our goal is to provide products with the best design, quality and concept, and with each day passing, we aim to become a better version of ourselves so as to keep you satisfied.
